Tax Preparation Services

P.O. Box 629 ~ Virginia City, NV 89440

To outsource the preparation of your income tax return to an accountant in India, it is necessary to provide your name, address and social security or tax identification number to the accountant half-way around the globe over a secured, encrypted upload/download link. New IRS regulations now require that you acknowledge that your return information is traveling this electronic pathway. Your signature below acknowledges that you are aware of this outsourcing to India to get an accountant-prepared return for about 40% of the price local accountants in the northern Nevada are charging.
